27 respostas

9. Do you have any suggestions to improve the event or strengthen topics for the next Fast-Track School?

7 respostas

Introduction of each other at the beginning, bigger room, better equipment, checking earlier if everything is working correctly, maybe the speaker who leading the conference could be also one time a men and then a woman ?

Digital Twin Tech. & ai & computational chemistry

More practical case studies

Active working session should be included.
Get to know at the beginning.

Give opportunitie to the students to present their work master or Phd.

The showed practical experiences have bene very interesting

Everyone should use spell-checking before presenting.
